Compensation Statement - Notations & General Definitions

The notations and general definitions, if applicable, below link to the details in your compensation statement.

Variable Bonus

- 1) Variable Bonus percentage is calculated on the prorated Salary & Annual Car Lease Rental, if any.
- 2) Potential Target Variable Bonus represents minimum and maximum amount of the Target variable bonus range (includes Car Lease Rental, if any for calculation).

General Definitions:

Salary : Considers relevant skills, level, historical and current performance and should align closely to similar peers.

Salary Change: Merit, promotion increases and market adjustments, if any

Variable Bonus/AIP Awarded: Variable discretionary component for eligible job levels that reflects Firm/Business financial and individual fiscal year performance.

Reward Excellence Last Fiscal Year: Spot, Applause, and Outstanding Performance Awards received in last fiscal year

Additional Awards Received: Generally populated when special payments are issued

Total Compensation*: Salary prior to 2025 annual cycle + Variable Bonus + additional awards (Excludes car lease rental, and AIP processed through US payroll for ST/MT and LT assignments, if any)

New Salary* : Does not include Car Lease Rental, if any

Your [performance dashboard](#) includes any applicable performance indicators (i.e., your impact made this year, including snapshot summaries, metrics, and compliance) that may impact your overall compensation.

Variable Bonus payout is subject to professionals being active on the payroll as on the disbursement date (5/30/2025).

In addition to Base Salary and Variable Bonus, Deloitte's Total Rewards package includes a number of other financial and non-financial benefits. Please be sure to go to your [Benefits](#) card on Talent on Demand to review the key components of your Total Rewards.

Amounts represented above are at 100% work schedule and actual salary may vary depending on the current work schedule of the employee.
